

Kanata Theatre

Season Subscription Application – 2015-2016 Season

Welcome to Kanata Theatre's 47th Season! As usual, there will be five main plays plus a family play. Experience the developing relationship between a grieving grandson and a feisty grandmother in the dramatic comedy *4,000 Miles*, challenge following tragedy in the drama *Radium Girls*, a “cold-case” revisited in the thriller *Cat's Cradle*, a fraying friendship in the Neil Simon classic comedy *The Odd Couple*, and a new look to a charity calendar in the comedy *Calendar Girls*.

Experience the musical magic of *Mary Poppins* in our December family play. **On or before 3 October**, you may purchase family play tickets at a 25% discount; \$7.50 instead of \$10 each.

Applications made, by using this form, will be processed in the order in which they arrive at the Box Office, so please submit your application, with payment or payment card information, as soon as possible. The Box Office will contact you for seat selection starting in June. Season subscriptions may be also purchased on-line, beginning 1 August 2015, by following the links at <http://www.kanatatheatre.com> and will be processed immediately during the on-line session. **If you choose to purchase subscriptions on-line, PLEASE DO NOT return the application form.**

Donations are gratefully received. An official charitable receipt will be issued for donations of \$20 or more, (your full name including middle initials are required by the Canada Revenue Agency).

Note: Providing your work and cell phone numbers and your e-mail address may allow us to contact you more quickly; to arrange payments, to select seats, and e-mail you a reminder of your upcoming play night.

Box Office phone: 613-831-4435

E-Mail: BoxOffice@kanatatheatre.com

Box Office Fax: 613-831-4438

Web-site: <http://www.kanatatheatre.com>

We will not keep a record of your credit or debit card information any longer than is required to process your payment.

▶▶▶ if purchasing on-line, PLEASE DO NOT return the application form ◀◀◀
